

Pasadena Villa[®]

OUTPATIENT Jacksonville

The Pasadena Villa Outpatient Treatment network provides treatment for adults, 18 years or older, struggling with various mental illnesses. The levels of care offered include partial hospitalization, intensive outpatient, and virtual intensive outpatient programming.

Levels of Care

Partial Hospitalization Program (PHP)

PHP meets in person five days a week for six hours per day.

Intensive Outpatient Program (IOP)

IOP meets in person three to five days a week for three hours a day.

What We Treat

- Anxiety Disorder
- Bipolar Disorder
- Major Depressive Disorders
- Mood Disorders
- Personality Disorders
- Post-Traumatic Stress Disorder (PTSD)
- Psychotic Disorders

How We Treat

Our program is firmly rooted in evidence-based treatment methods with treatment plans specific to each client's needs. In tandem with our Social Integration Model™, which enables clients to put skills learned into practice with the support of their therapist, our clinical team uses multiple therapeutic modalities including:

- Adjunct Therapies, including Music Therapy, Art Therapy and Movement Therapy
- Cognitive Behavioral Therapy (CBT)
- Dialectical Behavior Therapy (DBT)
- EMDR Therapy
- Family Therapy
- Group Therapy
- Individual Therapy

Payment Options

We offer a variety of payment options including in-network, out-of-network, and private-pay rates that may vary by state or location. Please contact us at 855.917.1231 to learn more about the financial and insurance options available.
